V. The security to be furnished by Nazirs and Amins shall either be by bond with deposit of title-deeds of immovable property, or deposit of cash or Government Promissory Notes; and the security to be furnished by Peons shall be by bond with two sureties, or by deposit of cash, which should be invested in the District Savings Bank in the name of the depositor.

VI. The "proper officer" to whom processes shall be transmitted for service under Section 72 of the Code of Civil Procedure, 1882, shall be—

(a) *The Central Nazir*, in respect of all processes issued by any Court for service within the jurisdiction of a Munsiff located at such station;

(b) *The Deputy Nazir*, at a station where there is no Central Nazir, in respect of processes issued by any Court for service within the jurisdiction of the Court or Courts at that station.

VII. The processes of each Court shall be numbered consecutively, as soon as all batta-charges have been paid, and shall be entered in a register in the Form A annexed hereto and issued for service in the order of receipt, precedence however being given to urgent processes issued as per Rule XIX and Note 3 to Rule XXV.

The amount of batta to be paid must be notified on each process sent for service, but shall be retained with the Court Nazir.

VIII. At stations where there is a Central Nazir, at 3 p.m. daily, the chief ministerial officer of each Court shall sign the Register A, and transmit it to the Central Nazir, together with the processes to be served or executed by him, which have been prepared up to that hour. Such processes prepared after 3 p.m. shall be sent to the Nazir not later than 11-30 the following morning, together with the register signed as above.

After verifying the entries relating to himself, the Central Nazir shall return the register to the Court concerned with his counter-signature.

This rule shall also apply to processes to be served or executed by the Deputy Nazirs.

IX. One hour before the Post time for each outlying Sub-Judge's or Munsiff's station, the chief ministerial officer of each superior Court shall have a list prepared in the Form A of all processes to be served or executed within the jurisdiction of such outlying Court, and such list shall be forthwith sent by Post on Mysore Government Service to the Central or Deputy Nazir of that station, together with all such processes.

X. On receiving any batch of processes, the Central or Deputy Nazir, as the case may be, shall consecutively number and enter them in a register, which shall be kept by himself or under his superintendence in the Form B annexed hereto.

XI. He shall thereupon arrange for the distribution of the processes; and, after the necessary entries have been made in the Roster (Form C hereto annexed), shall deliver them to the several process-servers. As far as possible, all processes other than warrants of arrest, for persons residing in the same neighbourhood shall be served by one process-server and not by several, whether issued by the same or by different Courts.

Every Central or Deputy Nazir shall be held directly responsible for the proper service and return in due time of the processes.

The process-servers should maintain a Register in Form D.

XII. Every day, at such hours as the Munsiff may fix, having regard (when necessary) to the hours at which the Post closes, the Central or Deputy Nazir shall enter in a despatch book or list the processes to be returned to each Court giving them their original Court numbers, and shall transmit them to the chief ministerial officer, who shall sign and return the despatch book or list.

XIII. It shall be the duty of the chief ministerial officer to have the processes returned and the batta amounts disbursed hereon entered in the appropriate columns of his Register A.

and to bring to the notice of the presiding Judge, any unusual delay. Where such Judge is not the District Judge having jurisdiction over the Nazareth concerned he shall report such delay to such District Judge in the absence of satisfactory explanation.

XIV. At the close of each day, every Central and Deputy Nazir shall enter in the Register B the number of processes distributed during the day and the number of peons remaining unemployed after the distribution.

XV. The return of service shall ordinarily be verified by affidavit, and, under Section 197 (b) of the Code of Civil Procedure, all Nazirs and Deputy Nazirs are hereby empowered to administer the oath to any process-server. Such affidavit which should state the place, manner, and date of service, may be read at the hearing and used as proof of service.

XVI. When any person has been arrested, or movable property seized, by a process-server of an outlying Court under a warrant issued by a superior Court, the process-server shall forthwith bring such person or property to the station of such Court and deliver him or it to the Central or Deputy Nazir, as the case may be, provided that this rule shall not apply to property not required to be brought to the Court-house.

Such Central or Deputy Nazir shall immediately give the process-server a receipt and send him back to his own Court, and shall produce such person or property before the Court which issued the process.

When money shall have been recovered upon any such process, it shall be received by the outlying Court, and duly transmitted, together with the process, to the Court concerned: or credited to such Court's Batta Account, sending immediate notice of the same that the Court concerned may pay the judgment-creditor out of the batta accumulations.

XVII. A permanent advance of Rs. 500 will be made to each Central and Rs. 200 to each Deputy Nazir for the batta of witnesses, &c. The amount of batta notified on each process sent to the Nazareth for service will be paid out of it unless in special instances moneys are sent along with process, in which case the amount should be credited in Register F as soon as received.

The Chief Court may, at its discretion, increase or reduce the permanent advance of any particular Central or Deputy Nazir.

All moneys received, disbursed or remitted by the Central or Deputy Nazir shall be at once entered in his cash book F (Form annexed) of Nazir's account current of Permanent Advance.

XVIII. On or before the 6th of each month or whenever a sum of Rs. 50 or more is due by any Court, the Central or the Deputy Nazir (as the case may be) shall send to the Court concerned a bill in Form E hereto annexed showing the account between them.

The Head Ministerial officer of each Court shall on receipt of the bill carefully check it with reference to his A Register, object to items not admissible in the remark column and prepare an extract of such items with details. He shall total the remaining items and pass the same for payment and send the bill together with the extract of objections to the Court Nazir. The latter shall, after debiting the passed items individually in his cash Register No. X, forward the amount together with the passed bill and the extract to the Central or Deputy Nazir who will endorse receipt of money on the bill and forward it to the Court Nazir retaining the extract for further action.

The amount due to each Central or Deputy Nazir of an outlying station must be remitted through the Government Treasury, if there is a treasury at the outlying station, and if not, by a Postal Money Order, the cost of which may be charged in the Contingent Bill.

XIX. The presiding Judge of any Court may, for any sufficient reason, at any hour of the day, transmit a process for emergent execution, and it shall be the duty of the Central or Deputy Nazir (as the case may be), on receiving such process signed by the Judge, to make immediate arrangements for its execution.

In a case of very special urgency, the presiding Judge may deliver any such process to one of the process-servers in attendance on his Court for immediate service or execution.

XX. The presiding Judge of any superior Court may direct, on the application of the party applying for any particular process which would ordinarily be sent for service to an outlying Court, that it be served or executed by a special process-server from head-quarters: provided that the pay of such process-server at the rate of 4 annas a day for a peon or 8 annas for an Amin, for the time he is likely to be employed on such duty, be paid in advance; and the Judge may, for any sufficient reason, direct that such extra charge be costs of the suit or proceeding.

XXI. Except for very special reasons, which must be recorded in writing, no Court shall direct, under Section 349, that a judgment-debtor be left in the custody of a peon, unless a second peon is deputed to assist him and the pay of both, at 4 annas a day for each up to the time fixed for the adjourned hearing, be paid in advance.

Payments under this and the preceding rule shall be made in Process Service stamps.

XXII. Unless the Chief Court shall otherwise direct, upon due cause being shown, the number of amins and peons to be employed under any Nazir or Deputy Nazir shall be sufficient, and no more than sufficient, for the execution of not less than 150 processes a year by each amin and not less than 400 processes a year by each peon: provided that three peons for each Court shall be told off in rotation for ten days at a time to attend the Court to help to keep order and guard the Court-house and to be available for emergent processes under Rule XIX.

XXIII. In calculating the number of processes, if more than one of the same description have been issued on behalf of the same party at the same time in the same suit or proceeding and executed in the same town or village, the first only shall be reckoned as a full process, and each subsequent set of three or part thereof shall count as but one process, whether executed by one or more peons. Three processes will be counted for each emergent process and one for each day that a peon is in charge of a judgment-debtor or engaged on any special duty.

XXIV. At the end of each month every Central and Deputy Nazir shall prepare a statement showing the total number of processes calculated as above executed by each amin or process peon during the month, noting also the number of processes declared by the several Courts as emergent and shall submit the same to the District Judge. The District Judge shall forward the same in original to the Chief Court for perusal and return.

The District Judge shall reduce the number of peons in the Central Nazareth, or any outlying Court, whenever the average number of processes for each man (exclusive of those allowed under Rule XXIII to be in attendance in the Courts) falls short of the prescribed minimum by more than ten per centum, provided that if sufficient cause appears for lowering the minimum, he may report the matter for the orders of the Chief Court.

District Judges will forward to the Chief Court a monthly return of receipts and disbursements on account of the service of processes showing the number of processes arrived at in the manner laid down in Rule XXIII, separately of amins and peons excluding only those on which no action has been taken by the peon or amin, owing to the petition having been compromised or withdrawn or for any other reason, after the process has been issued. The processes issued to amins will comprise all processes for attachment or sale, or delivery of possession of property, movable or immovable and certain warrants of arrest. Those of peons will include all summonses, notices, written orders and ordinary warrants of arrest and the simpler forms of injunction and proclamation.

XXV. The fees chargeable for serving and executing process issued by the Civil Court shall be:—

	Rs.	a.	p.
1. Summons to Defendant	0	8	0
And for every additional Defendant if applied for at the same time, and if Defendant resides in the same neighbourhood	0	4	0

Notification dated 1st March 1905.

1. It is hereby notified for public information that the undermentioned Jodi land, which has been duly attached in satisfaction of the arrears of revenue due to Government (as shown in the subjoined statement) by the said Jodidars, will be sold by public auction at the place and on the date mentioned in the annexed statement. The sale will commence at 11 A. M., on the date specified, and the land will be knocked down to the highest bidder without reserve.
2. Provided that when a village is divided into separate recognized vrittis, the Deputy Commissioner may, at his option, instead of selling the village as a whole, sell each vritti separately.
3. The purchaser will be required to deposit twenty-five per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.
4. When such deposit shall not be made, nor the remaining purchase money paid up, the lands shall be re-sold at the expense and risk of the first purchaser.
5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents and in the latter case to deposit a written authority signed by their principals; otherwise their bids may be rejected.
6. The sale shall be stayed, if the defaulters, or any other person acting on their behalf or claiming an interest in the land, tender the full amount of the arrears of revenue with the interest and other charges, before the property is knocked down or give satisfactory proof that the amount of arrears, etc., has been paid up or furnish security under Section 170 of the Mysore Land Revenue Code.
7. Purchaser having completed the payment of the purchase money will, as soon as the sale has been confirmed, be placed in immediate possession, and the village will be registered in the name of the purchaser, and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description and in estimated extent.
8. Provided, parties deeming themselves aggrieved by the sale, shall be at liberty to appeal to the Dewan within ninety days from the day of sale, and the purchase shall be conditional on the final order in such appeal.

The Government of His Highness the Maharaja of Mysore are pleased to direct that clauses 5 and 6 of Government Notification No. 242, dated the 24th March 1885, prescribing rules for the grant of lands for coffee cultivation, be amended as follows in respect of all future grants:—

5thly.—(a) The right to the sixteen descriptions of trees marginally noted, growing or to grow on the lands to which the aforesaid settlement has been extended and which are charged with full acreage assessment, whether fixed in perpetuity or for 30 years, shall vest in Government. But the holders of the aforesaid lands will be allowed to use, free of charge, the timber of the aforesaid trees, except sandal, for their own *bona fide* purposes.

1. Sandal. (*Santalum album*).
2. Teak. (*Tectonia grandis*).
3. Black wood. (*Dalbergia latifolia*).
4. Kino. (*Pterocarpus marsupium*).
5. Myrobolan or gall-nut (*Terminalia chebula*).

7. Benteak. (*Lagerstromia lanceolata*).
8. Satin wood. (*Chloroxylon swietenia*).
9. Soap nut. (*Supindus emarginatus*).

(b) The holders of such of the aforesaid lands as may pay the full acreage assessment, whether fixed in perpetuity or for 30 years, will however be permitted to purchase the Government right to the aforesaid trees, except sandal, upon a fair and moderate valuation of their present value (the purchase money being payable in such instalments as may appear to the Government to be reasonable). If the Government right to the trees is not purchased by the holder as above provided for, a seigniorage will be levied by Government upon all the aforesaid trees, (except sandal) which may be felled otherwise than for *bona fide* private purposes of the holder.

(c) No sandal trees growing or to grow upon the aforesaid lands shall be felled, used or disposed of, except by or under the orders of Government.

6thly. The Government right to the sixteen descriptions of reserved trees specified in clause 5, growing or to grow on lands held on *grass* assessment, is reserved to Government, as such tenure conveys a right merely to pasturage and growth of firewood. Such lands generally contain heavy forests. Until the holder of lands held on grass assessment acquires this right by paying the full value of such trees, the existing prohibitions against the felling of reserved trees must continue to apply to such trees growing on such lands.

COMMERCIAL EXHIBITIONS.

*Dated Calcutta, the 14th December 1904.*

### RESOLUTION.

The following papers relative to the Colonial and Indian Exhibition, 1905, to be held at Crystal Palace, London, in the Summer of 1905, are published for general information. Secretary of State has been informed that the Governor General in Council has decided to no official share in the Exhibition:—

#### *Prospectus of the Crystal Palace Exhibition, 1905.*

The Directors of the Crystal Palace have decided to hold during the Summer of 1905 an exhibition at which all the Dominions, Commonwealths, States, Colonies, and Chartered Companies of the British Empire will be invited to take part, with the view of offering to the people of the United Kingdom an object-lesson which will demonstrate that the British Empire could supply all the necessities and luxuries of life in quantities large enough to supply the wants of its inhabitants, while their quality is at least equal to those produced by any other portion of the globe. The proposed Exhibition will show that this Nation could be entirely self-sufficient, and that in this respect it differs from any other, however large may be its area and its resources. Such an Exhibition should certainly obtain the countenance and support of the Governments of the constitutional Colonies, all of which are desirous of encouraging commercial intercourse between the various sections of the Empire and some of which are prepared to make considerable sacrifices in order to obtain that object. It is believed that the Government of India and the various Crown Colonies will adopt a similar policy, and show an equal desire to be present on such an occasion.

It is now eighteen years since an Imperial Exhibition of the magnitude of that proposed at the Crystal Palace Company was held in any portion of the United Kingdom. The Colonial and Indian Exhibition of 1886 was visited by 5,550,745 persons, although at that date the advancement of political, commercial and social, to the Mother Country, of the outlying parts of the Empire, and their vast importance to its power and prestige were only partially understood. Since 1886 the population of the Colonies and their trade with the United Kingdom, have largely increased, the armed forces of the various Colonies and Dependencies have fought side by side with those of the United Kingdom in South Africa and China. At the present moment the food supplies of this country are largely obtained from the Colonies, although in 1886 such imports were almost unknown. It is only necessary to allude to the large increase since 1886 in the exports from Canada, Australia, and India, of wheat, meat, butter, cheese, game, and poultry; the movement now on foot for obtaining cotton from British sources, and to the increased trade between the West Indies and the Mother Country.

About the commercial advantages of the proposed Exhibition there can be no room for difference of opinion since it will show the Merchants and Manufacturers of this country that even in the past it has been the practice to largely rely for supplies upon foreign countries, and could all be procured from the outlying portions of the British Empire with their vast resources and boundless capabilities for production.

The Directors of the Crystal Palace Company have, in the first instance, appealed to the Governments of the various British Colonies, because at all Exhibitions previously held in London and the United States the arrangements for the representation of the various Colonial products and manufactures have been made by the Local Governments, and not by private individuals.

The Directors of the Crystal Palace Company are in a position to offer to the Colonial Governments, in the magnificent building which has a world-wide fame, a space quite as large as was occupied by them at South Kensington in 1886. An inclusive charge will be made of 10 shillings per square foot for large spaces taken *en bloc* by the Government of any British Colony, or 4 shillings per square foot for the space actually occupied whatever may be the area. Twenty-five per cent of the space money must be paid at the time of making the reservation, and the balance prior to the opening of the Exhibition in May 1905.

Arrangements may be made with the Refreshment Contractors to the Crystal Palace for the sale of Colonial Wines, Ales, Liqueurs, Cigars, and for the establishment of Colonial Restaurants. Regulations to be subsequently issued.

The situation of the Crystal Palace is specially convenient of access for Exhibitors, as by the use of two lines of railway heavy goods can be delivered at a minimum cost, and with the least possible risk. Communication is established with all parts of the Metropolis and with the

rest of the United Kingdom by these two lines of railway, and by the tram lines to London and Croydon which are expected to be completed prior to the opening of the Colonial and Indian Exhibition; and will no doubt largely increase the number of visitors to the Crystal Palace.

The Directors would desire to point out that the architectural surroundings of the Crystal Palace render it unnecessary to make any considerable disbursements in the way of decoration and that little further expenditure is necessary beyond payment for the space, the freight and insurance of the exhibits, their installation and keeping them clean. The heavy outlay made at Paris, Chicago, and St. Louis, as well as at the Colonial and Indian Exhibition of 1886 is quite unnecessary.

Application will be made to the Board of Trade for a Certificate under the provision of the Patents, Designs and Trade Marks Act, 1883.

The Jury, which will be appointed by the Advisory Committee, will consist of gentlemen of expert knowledge and experience.

The following are the Awards which will be made by the Jury:—

1. Grand Prize.
2. Diploma of Honour.
3. Diploma for Gold Medal.
4. Diploma for Silver Medal.
5. Diploma for Bronze Medal.

Exhibitors requiring additional lighting (electric or gas) can be supplied with same at reasonable rates which can be obtained on application.

All cheques to be made payable to the Crystal Palace Company, and crossed "London and County Bank."

Labels for goods intended for the Exhibition will be forwarded on application.

J. WILSON,

Offg. Secretary to the Govt. of India

## THE DANGER OF INTRODUCING INSECT PESTS.

The study of the Insect Pests attacking crops in India has shown that whilst many are probably indigenous to India or countries adjacent to India, a few at least have in all probability been introduced from foreign countries more or less remote. This danger is always present and many countries have found it necessary to adopt stringent regulations to exclude Insect Pests which are liable to be carried from one country to another in a living state. The geographical position of India, its diversity of climate, soils, vegetation and crops, renders this danger less than it is elsewhere and it is fortunate that so few of the virulent pests of other countries have obtained a foothold here.

2. But with increased communication and trade with other countries and the increasing speed with which merchandise is transported, this danger has now become formidable and it is reasonable to suppose that in the absence of all precautions, very virulent Insect Pests may be introduced which, if allowed to propagate unchecked, might work great damage among the staple crops and cause great losses to the country. This is experience of other countries, notably of the United States where the outbreaks causing losses estimated to amount to millions of dollars have been traced to importations from Europe.

3. Insects in their natural habitat, are checked by natural enemies, without which their increase would be enormous. These insects when introduced to fresh places, have perhaps no enemies, and their increase then proceeds unchecked, sometimes so rapidly as to make the insect in its new home, a dangerous pest. Sooner or later, in their new habitat new enemies attack them and play the part of the enemies in their original habitat, but this may not take place for a long period during which their destructiveness may be very serious.

4. Many insects have been carried in ships and have now become cosmopolitan. These include the common cockroaches, the beetles and moths that attack grain, flour, stored provisions, etc., and the common household pests which are inevitably spread by commerce. Against these no practical measures can be taken, the bulk of the merchandise in which they come being so large. The danger that can be guarded against lies especially in the plants, seeds, tubers, bulbs, etc., which are imported for planting. As insects on such things are placed in the best possible conditions for thriving and are introduced directly to the growing plants on which they live the interests of agriculture generally are directly involved. Cotton seed from the United States is extremely likely to carry the cotton boll weevil, perhaps the most formidable pest of cotton in the world at the present time. The United States Department of Agriculture are spending large sums in checking this pest and its yearly ravages are said to cause damage estimated at millions of dollars. Similarly sugar-cane imported for planting is likely to carry borers, or caterpillars which work so much havoc wherever sugar-cane is grown. There are some of these borers in India at present, but the West Indian, the Australian, the Javan, the Mauritian species are not known in India and it is necessary to take precautions against their introduction.

5. The following are the chief imports in which insect pests are likely to be found and the best methods available for treating them are given in each case.

6. *Living Plants*.—Many insects are carried on living plants or in the soil or packing in which they come. These should be carefully unpacked, not out of doors, but in a room or a verandah, where the presence of insects can be easily detected. If the plants are healthy, they may be planted out, preferably in secluded corners in quarantine, so that diseases developing may not pass to neighbouring plants. It is advisable to dip all such plants in one of the mixtures given below.

7. If the plants have scale on them, mealy bug, blight or other unhealthy appearances, they should be dipped in the mixture (A) and then planted in quarantine; if the disease grows beyond control, the plants should be burnt. If the disease lessens they should be treated with the mixture A by spraying or sprinkling them till the disease disappears and the plants are healthy.

8. The package and the packing material should be burnt. If insects of any kind are found on opening the package, the whole inclusive of the plants should be put on the fire: the insects may be harmless or not, but it is impossible to be certain in any particular case.

9. *Roots, Tubers, Bulbs*.—These should be treated much as the living plants, but as they are more likely to harbour beetles, borers, etc., a few should be broken or cut open to see that they are sound. They should, in all cases, be dipped in mixture A or B, and in the case of tubers such as potatoes this should be made of double strength.

10. *Canes*.—Sugar-canes should be carefully inspected: canes in which holes of boring insects are found, should be burnt; those on the outside of which scale, mealy bug or any appearance of blight is discovered, should be dipped in mixture A or B of double strength, and the dipping repeated daily till they are planted.

11. *Seeds*.—Seeds should be fumigated with benzene or carbon bisulphide. They should never be planted till that has been done in the following manner:—

Place the seeds in an air-tight box, with a big wad of cotton and pour benzene or carbon bisulphide on the wad; the latter is preferable and should be used at the rate of one ounce per fifteen cubic feet, or one drachm (teaspoonful) per cubic foot. Benzene is used at the rate of 1½ drachms per cubic foot. The box should be kept closed for twenty-four hours, and should not be approached with a naked light.

12. The radical and scientific method of treating all plant imports is by fumigation with hydrocyanic acid. This is the measure practised in Ceylon, the Cape, the United States, Germany and many other countries. Botanic Gardens, Nurseries, or other establishments that import large number of living plants should fumigate everything that comes in from abroad. The method is simple and easy; and complete information can be obtained from the Entomologist.

13. Other importers of living plants and other articles likely to harbour pests, who may not have facilities for fumigation, can by the exercise of a little care and common sense and by the use of the simple measures given above, do much to remove the risk of importing diseases and their co-operation in this matter is solicited in the interests of the public generally. There has been a great increase in plant importation during the past few years, and year by year the danger grows greater. Some importations have been actually seen to bring pests, which would have been liberated if not noticed, and as many of these pests are likely to escape notice it is best to treat every importation of living plants or parts of plants which are to be used for planting. Importations solely for food, such as apples, potatoes, etc., are less likely to be dangerous since the insects would not be placed in conditions suitable to propagation but every plant or seed imported and put into the ground is a danger unless properly treated and disinfected.

*Mixture A.*—Boil 1½ lb. sliced hard soap (bar soap) in one gallon of water till it is dissolved. When boiling, take off the fire, throw in two gallons of kerosine and agitate it till the oil and soap solution form a creamy fluid, with no free oil. The simplest way to agitate it is to pump part violently into the main quantity with a syringe, but continued heating and whisking will have the same effect but take longer. Mix one part of this with seven of water before use.

*Mixture B.*—Boil 1½ lb. of rosin & 1 lb. washing soda in a small quantity of water in a kerosine tin till dissolved. Continue boiling and add cold water *very slowly* till the tin is half full of liquid. It will froth up and become extremely thick; after some time if kept boiling steadily it will become thin and clear; boil for a few minutes longer and mix with four gallons (one kerosine tin) full of water before use.

#### AN OUTBREAK OF A FATAL DISEASE AMONG WILD ELEPHANTS, CATTLE, ETC.

The disease appeared at first among wild elephants in Kakankote forests in June and July 1904. It later on spread among the tamed elephants, cattle that went to Kakankote jungle to drag timber and thence gradually spread towards Antarasante, Heggaddevankote, Hampur, Hunsur, Tarikere and some other places beyond Mysore borders, where a number of cattle died. Experienced stock owners say that they had not seen this disease either among wild animals or domesticated cattle.

*Causes and nature of the disease.*—This disease is produced by specific bacteria which gain entrance into the animal body mostly from wounds in various parts of the body especially in the lower extremities. This disease is classed as a variety of septicæmia.

*Symptoms.*—The infected animal becomes dull, separates from the herd, shivers, has high fever, staring coat, head and face become swollen, ears droop, tongue becomes swollen and coated with a sticky mucus, acrid discharge from nostrils and eyes. Reimination stopped, bowels costive and often coated with blood and mucus swellings appear. The groin, neck and sometimes at the flank and shoulders, death supervenes from 4 to 6 hours or 2 to 3 days in some cases.

*Differential Diagnoses.*—From the swellings this disease was mistaken by Laymen for human bubonic plague. It has up to date infected only the Herbivora while the carnivora remain immune. Some of the symptoms in this disease are common to Rinderpest (cattle plague) and anthrax but in cattle plague animals suffer from 1 to 2 weeks, loins become weak and the animal has a staggering gait, first bowels costive and later on bloody diarrhoea sets in, whereas there is no diarrhoea in this disease but on the other hand the dung is in hard pellets. In various forms of anthrax swellings appear on the throat and quarters but they are not so profuse and extensive, but in this disease the swellings first appear at the groin and extend in a few hours as far as the flank. In anthrax swellings do not generally appear at the flank and when they are pressed make a crackling sound as if a tissue paper is rubbed, they are full of fine gaseous matter, but in this disease there is no such change. In anthrax swellings throat remain till the animal dies but in this disease they disappear in most cases.

*(Prophylactic and Anatic).*

*Treatment.*—As soon as the animal shows symptoms of ill-health it is to be segregated at once to a distant place, the healthy ones are to be kept under careful observation. As the disease first broke out in Mysore Province among wild animals no successful medical treatment has been resorted to but there is every possibility of finding out the most reasonable treatment in course of time often some more experiments but till then sick animals may be kept on easily digestible nourishing food such as ragi, rice or wheat conjee mixed with milk and egg emulsion, 4 to 8 ounces of stimulants such as arrack or brandy may be given 3 or 4 times a day largely diluted with water. The swellings are to be fomented with hot water and stimulating liniments such as oil of turpentine mixed with sweet oil may be rubbed over the swellings, when they subaburate may be freely opened, washed with carbolic or perchloride of mercury lotion and dressed with carbolic or neem oil. The stable gear such as blankets, lying ropes, buckets, etc., must be kept separate and the sick attendants are not to handle the healthy ones. The dung, urine and other excretory matter are to be buried deep in a pit and covered with lime and dry fresh earth better burnt if possible. Animals that are in the way to recovery ought not to be allowed to mix with the healthy until at least 2 months. Animals that succumb to this disease are to be burnt with their skin complete.

SALE OF DRUG SHOPS FOR 1905-06.

Notice No. 5382-3, dated 2nd February 1905.

1. Notice is hereby given that the exclusive privilege of selling intoxicating drugs in any of the shops specified in the schedule hereto appended, for the twelve months beginning with 1st July 1905 and ending with 30th June 1906, will be put up to public auction by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the respective taluk or sub-taluk head-quarters, on the dates specified in the said schedule, subject to the conditions hereinafter set forth.

2. Each bidder at the auction will deposit a sum of Rs. 5, or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding, provided that the Government may at any time dispense with such initial deposit. Each shop will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government*, be tantamount to acceptance of the bid. Parties intending to bid must attend either in person or by duly credited agents. No shop shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register a purchaser any one in whose name the bidding has not proceeded.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders shall not be forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to two months' rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be barred from bidding again for the same or for any other shop.

4. The persons to whom the shops have been knocked down, and who have made deposits as provided in paras 2 and 3, shall also be required to leave his address with the sale conducting officer in order that the confirmation of the sale may be communicated to that address by notice, etc., and he shall, within seven days, after the service of the said notice by its presentation to the purchaser or any adult male member in the place of said address or by its being affixed thereto or by its forwardal duly registered by post, pay at the Taluk Treasury concerned such further sum as, with the first and second deposits, will make up an amount equal to two months' rent of each shop knocked down to them; and shall take out licenses and execute a counterpart engagement, in the prescribed forms, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart engagement, as aforesaid, the shop will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Re-sales effected under para 4 will be at the risk of the defaulting bidder, who will forfeit all gain; and in the event of a loss by re-sale or other disposal he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale or other disposal. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

6. The license to be taken out under para 4 above, shall be subject to the following conditions, namely:—

- (1) The amount for which the privilege has been purchased shall be payable into the Taluk Treasury on the prescribed challan in equal monthly instalments commencing from July 1905; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month on the challan prescribed for the purpose. If such amount be less than Rs. 12, it shall be paid up in not more than three quarterly instalments commencing from 1st July 1905. The deposit of two months' rent made by the licensee will be taken in payment of the rents due for the last two months of the period of the license. Failing payment by the 20th of the same month or before the end of the quarter for which the instalment is due, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

307

ii.

- (2) The licensee shall purchase Ganja and Majum from any Bonded Depot at the rate of Re. 0-13-4 and 0-5-4, respectively, per seer of 80 tolas; and shall pay the price to the Mutsaddi in charge of the Depot.
- (3) The rates payable as above, shall be in addition to Excise duty, which shall be prepaid into the Taluk Treasury, or into any other Government Treasury with the permission of the Deputy Commissioner, at Rs. 3-6-8 per seer of Ganja and Re. 0-11-8 per seer of Majum (including local cess).
- (4) The Ganja sold by the licensee shall be of good quality and unadulterated, and shall be sold by him at Rs. 10 for a seer of 80 tolas of Ganja or annas two tola of Ganja and of Rs. 1-10-8 for a seer of Majum; and the whole stock of Ganja and Majum on hand shall be kept in the licensed shop and not elsewhere on any pretext whatever, without special permission.
- (5) The licensee shall use such scales and weights as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of drugs, which forms shall be purchased from Local Excise Officers.
- (6) The licensee shall be bound to take over any drugs which may remain as stock on hand belonging to the out-going licensee on the 1st July 1905 in the existing shop, paying to the latter such compensation for the same as may be fixed by the Deputy Commissioner.
- (7) The licensee shall be bound by the rules in force, and by such further rules as may be issued from time to time by Government. He shall not, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect in any intoxicating drug shop outside the Mysore Station or in the Civil and Military Station.
- (8) No female shall be employed in the sale of intoxicating drugs.
- (9) The remaining terms and conditions shall be as set forth in the prescribed license.

7. In the case of any breach of the above conditions either by the licensee, or with the connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 100 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to re-sell or to otherwise dispose of the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business, on opening his shop on 1st July 1905, shall be made good by him. When a license is cancelled the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise laws or rules in force.

## REVENUE

### SALE OF SEPARATE ARRACK SHOPS FOR 1905-06.

*Notification No. 6211—4, dated 13th March 1905.*

1. Notice is hereby given that the exclusive right of selling arrack in each of the separate shops specified in the appended schedule for the twelve months beginning with 1st July 1905 and ending with 30th June 1906, will be put up to public auction at upset prices, by the respective Deputy Commissioners or by Revenue Assistant Commissioners or by Divisional Officers of the Excise Department or other Officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places mentioned in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on abovenamed days, they will be continued on the next following days (close holidays excepted).

2. (a) Each bidder at the auction will deposit a sum of Rs. 60 for shops in the Kolar Gold Fields, Rs. 25 for those in the Mysore and Bangalore Cities and Rs. 10 for those in other places, or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. It will, if offered, be received at any time within three days prior to the date of sale, provided that the Government may, at any time, dispense with such initial deposit. The deposits made by unsuccessful bidders if not forfeited as hereinafter provided, will be returned at the close of the sale. The shops or group of shops will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject any bid at his discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons*, be tantamount to an acceptance of the bid and will be necessary whether the sale be held by the Deputy Commissioner himself or by any other officer appointed by him. Parties intending to bid must attend either in person or by duly accredited agents. Should there be no bid above the upset price, for any shop singly, the officer conducting the sale may, in consultation with the Excise Divisional Officer, if present, club together more than one shop or, if necessary, reserve shops for which there may be no bids, for disposal hereafter. He may, subject to formal confirmation of the Deputy Commissioner, sell the right in any particular case by means of tenders or by private negotiation. He may also lower the upset price at his discretion. The officer conducting the sale may at his discretion, and without assigning any reason, refuse to accept the bid of any person, on the ground that he has been convicted by a criminal court of such an offence, or has been guilty of such breach of the conditions of the license, or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license, or on the ground that he is insolvent, or in order to prevent arrangements to the detriment of Government interests, or for any other valid reason.

(b) No shop shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

3. (a) The successful bidder shall, on the exclusive privilege being knocked down to him at once, if so required by the selling officer, or otherwise at the close of the day's sale, further deposit a sum equal to one-twenty-fourth part of his bid for the year, that is to say, one-half of the monthly rent unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit, if any, made by him under clause 2 (a) will be forfeited, and the privilege will be sold again on the above conditions, or otherwise disposed of at his risk, as the Deputy Commissioner or selling officer may determine.

(b) The person to whom a shop or group of shops has been knocked down and who has made deposits as provided above, shall be required to leave his address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and he shall, within seven days after the service of the said notice by its presentation to himself or to any adult male member of his family at the place of said address or by its being affixed thereto or by its forwardal duly registered by post, pay at the Taluk Treasury concerned, such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent, and execute at the same time before the Amildar the necessary engagements and take out the necessary licenses, as hereinafter set forth.

4. (a) The deposit made under the preceding para shall be either in cash or in Government of India Securities duly endorsed in favor of the Deputy Commissioner. Provided that in cases where the monthly rent exceeds Rs. 10 (in lieu of a deposit of two months' rent as above), the Deputy Commissioner may, in his discretion, allow any purchaser to deposit one month's rent as above, and to furnish approved personal security for an amount equal to four months' rent. In all cases where the monthly rent does not exceed Rs. 10, a cash deposit equal to two months' rent shall invariably be taken, and no personal security shall be accepted. If, on enquiry subsequent to sale, the purchaser shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency he may be required to deposit twice the prescribed sum or to get a surety or sureties, residents of and possessing property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract.

(b) Should the initial deposit exceed the sum required to be deposited under clause 3 (b) or clause 4 (a), the excess will be refunded to the purchaser.

5. The purchaser shall execute an agreement in the prescribed form, binding himself and, unless exempted by the Deputy Commissioner by an order duly recorded, so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner, to observe the conditions hereinafter set forth, as well as those specified in the license to be issued to him; and his surety or sureties, if any have been accepted, shall also execute a bond in the prescribed form binding himself or themselves and so much of his or their movable or immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of the agreement. The agreement and the bond so executed shall be stamped at the expense of the purchaser. They shall also be registered at his expense when the amount secured is Rs. 100 and above.

6. If default is made in making the deposit or deposits or in executing the agreement or the security bond, if any, and in taking out licenses as aforesaid, the exclusive privilege shall be forthwith re-sold or otherwise disposed of by the Deputy Commissioner at the risk of the first purchaser, who shall forfeit to the Government any deposit or deposits already made by him, and shall further be liable to make good any loss caused by such re-sale or other disposal. He shall not be entitled to any gain accruing from the re-sale or other disposal, and he shall be debarred from bidding again for the same or for any other shop or group of shops. In the case of loss the forfeited deposits will be deducted from it and the remainder, if any, shall be recovered as if it were an arrear of land revenue. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. Re-sales or other disposal effected under para 6 will be at the risk of the defaulting bidder, who shall forfeit all again; and in the event of a loss caused by re-sale or other disposal he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale or other disposal. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale or other disposal, and the remainder, if any, shall be recovered from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

8. The amount of rental, the consumption of each shop, etc.; for several years past are specified in the appended schedule.

9. The license to be taken out under para 3 (b) above, shall be subject to the following conditions but nothing herein contained shall exempt the purchaser of the privilege from liability to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued:—

(1) The amount for which the privilege has been purchased shall, if it exceeds Rs. 12 per annum, be payable into the local Taluk Treasury in equal monthly instalments commencing from July 1905. But where it does not exceed Rs. 12 per annum, it shall be paid in not more than three equal quarterly instalments. Each instalment shall be regarded as the rent for the month or quarter in respect of which it is payable. The licensee is not required to make any additional

payment on account of local cess. Each month's or quarter's rent shall be payable on or before the 20th of the same month, or before the end of the quarter for which the instalment is due. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, suspend or declare by record in writing that the license is forfeited, and proceed to re-sell or otherwise dispose of the shop or group of shops as soon after the last day of the month or quarter as may be possible with effect from the date of issue of license to the new purchaser or from the date of other disposal. The officer who has power to suspend license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

*Note.*—The licensee of a Jatra shop shall pay the rent thereof in full before the Jatra begins.

(2) The deposit made by the licensee shall be taken as security for the due performance of the conditions of the license and if not forfeited, credited or otherwise disposed of, shall be credited in payment of the instalments due in the last two months of the period of the lease. Provided, however, that where the shop or group of shops is re-sold or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale or other disposal of the shop or group of shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(3) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) The privilege conferred by the license extends only to the sale of arrack ordinarily of the strength of 20° under-proof and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° U. No. R. 8540—Fl. (64-03)-9, dated 11th March 1905.

The Government of His Highness the Maharaja of Mysore are pleased to direct that clauses 5 and 6 of Government Notification No. 242, dated the 24th March 1885, prescribing rules for the grant of lands for coffee cultivation, be amended as follows in respect of all future grants:—

5thly.—(a) The right to the sixteen descriptions of trees marginally noted, growing or to grow on the lands to which the aforesaid settlement has been extended and which are charged with full acreage assessment, whether fixed in perpetuity or for 30 years, shall vest in Government. But the holders of the aforesaid lands will be allowed to use, free of charge, the timber of the aforesaid trees, except sandal, for their own *bona fide* purposes.

1. Sandal. (*Santalum album*).
2. Teak. (*Tectonia grandis*).

If the Government right to the trees is not purchased by the holder as above provided for, a seigniorage will be levied by Government upon all the aforesaid trees, (except sandal) which may be felled otherwise than for *bona fide* private purposes of the holder.

(c) No sandal trees growing or to grow upon the aforesaid lands shall be felled, used or disposed of, except by or under the orders of Government.

Such lands generally contain heavy forests. Until the holder of lands held on grass assessment acquires this right by paying the full value of such trees, the existing prohibitions against the felling of reserved trees must continue to apply to such trees growing on such lands.

## EXCISE DEPARTMENT.

SALE OF SEPARATE ARRACK SHOPS FOR 1905-06.

Notification No. 6211-4, dated 13th March 1905.

1. Notice is hereby given that the exclusive right of selling arrack in each of the separate shops specified in the appended schedule\* for the twelve months beginning with 1st July 1905 and ending with 30th June 1906, will be put up to public auction at upset prices, by the respective Deputy Commissioners or by Revenue Assistant Commissioners or by Divisional Officers of the Excise Department or other Officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places mentioned in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on abovenamed days, they will be continued on the next following days (close holidays excepted).

2. (a) Each bidder at the auction will deposit a sum of Rs. 60 for shops in the Kolar Gold Fields, Rs. 25 for those in the Mysore and Bangalore Cities and Rs. 10 for those in other places, for such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. It will, if offered, be received at any time within three days prior to the date of sale, provided that the Government may, at any time, dispense with such initial deposit. The deposits made by unsuccessful bidders, if not forfeited as hereinafter provided, will be returned at the close of the sale. The shops or group of shops will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject any bid at his discretion without assigning reasons for the same. Such formal confirmation will, unless revised by Government for special reasons, be tantamount to an acceptance of the bid and will be necessary whether the sale be held by the Deputy Commissioner himself or by any other officer appointed by him. Parties intending to bid must attend either in person or by duly accredited agents. Should there be no bid above the upset price, for any shop singly, the officer conducting the sale may, in consultation with the Excise Divisional Officer, if present, club together more than one shop or, if necessary, reserve shops for which there may be no bids, for disposal hereafter. He may, subject to formal confirmation of the Deputy Commissioner, sell the right in any particular case by means of tenders or by private negotiation. He may also lower the upset price at his discretion. The officer conducting the sale may at his discretion, and without assigning any reason, refuse to accept the bid of any person, on the ground that he has been convicted by a criminal court of such an offence, or has been guilty of such breach of the conditions of the license, or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license, or on the ground that he is insolvent, or in order to prevent arrangements to the detriment of Government interests, or for any other valid reason.

(b) No shop shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

\* For Schedule see supplement to the Mysore Gazette, dated 23rd March 1905.

3. (a) The successful bidder shall, on the exclusive privilege being knocked down to him, at once, if so required by the selling officer, or otherwise at the close of the day's sale, further deposit a sum equal to one-twenty-fourth part of his bid for the year, that is to say, one-half of the monthly rent unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit, if any, made by him under clause 2 (a) will be forfeited, and the privilege will be sold again on the above conditions, or otherwise disposed of at his risk, as the Deputy Commissioner or selling officer may determine.

(b) The person to whom a shop or group of shops has been knocked down and who has made deposits as provided above, shall be required to leave his address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and he shall, within seven days after the service of the said notice by its presentation to himself or to any adult male member of his family at the place of said address or by its being affixed thereto or by its forwardal duly registered by post, pay at the Taluk Treasury concerned, such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent, and execute at the same time before the Amildar the necessary engagements and take out the necessary licenses, as hereinafter set forth.

4. (a) The deposit made under the preceding para shall be either in cash or in Government of India Securities duly endorsed in favor of the Deputy Commissioner. Provided that in cases where the monthly rent exceeds Rs. 10 (in lieu of a deposit of two months' rent as above), the Deputy Commissioner may, in his discretion, allow any purchaser to deposit one month's rent as above, and to furnish approved personal security for an amount equal to four months' rent. In all cases where the monthly rent does not exceed Rs. 10, a cash deposit equal to two months' rent shall invariably be taken, and no personal security shall be accepted. If, on enquiry subsequent to sale, the purchaser shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency he may be required to deposit twice the prescribed sum or to get a surety or sureties, residents of and possessing property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract.

(b) Should the initial deposit exceed the sum required to be deposited under clause 3 (b) or clause 4 (a), the excess will be refunded to the purchaser.

5. The purchaser shall execute an agreement in the prescribed form, binding himself and, unless exempted by the Deputy Commissioner by an order duly recorded, so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner, to observe the conditions hereinafter set forth, as well as those specified in the license to be issued to him; and his surety or sureties, if any have been accepted, shall also execute a bond in the prescribed form binding himself or themselves and so much of his or their movable or immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of the agreement. The agreement and the bond so executed shall be stamped at the expense of the purchaser. They shall also be registered at his expense when the amount secured is Rs. 100 and above.

6. If default is made in making the deposit or deposits or in executing the agreement or the security bond, if any, and in taking out licenses, as aforesaid, the exclusive privilege shall forthwith re-sold or otherwise disposed of by the Deputy Commissioner at the risk of the first purchaser, who shall forfeit to the Government any deposit or deposits already made by him, and shall further be liable to make good any loss caused by such re-sale or other disposal. He shall not be entitled to any gain accruing from the re-sale or other disposal, and he shall be debarred from bidding again for the same or for any other shop or group of shops. In the case of loss the forfeited deposits will be deducted from it and the remainder, if any, shall be recovered as if it were an arrear of land revenue. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. Re-sales or other disposal effected under para 6 will be at the risk of the defaulting bidder, who shall forfeit all again; and in the event of a loss caused by re-sale or other disposal he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale or other disposal. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale or other disposal, and the remainder, if any, shall be recovered from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole such deposit shall be credited to Government.

8. The amount of rental, the consumption of each shop, etc., for several years past are specified in the appended schedule.

9. The license to be taken out under para 3 (b) above, shall be subject to the following conditions but nothing herein contained shall exempt the purchaser of the privilege from liability to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued:—

(1) The amount for which the privilege has been purchased shall, if it exceeds Rs. 12 per annum, be payable into the local Taluk Treasury in equal monthly instalments commencing from 1905. But where it does not exceed Rs. 12 per annum, it shall be paid in not more than three equal quarterly instalments. Each instalment shall be regarded as the rent for the month quarter in respect of which it is payable. The licensee is not required to make any additional

payment on account of local cess. Each month's or quarter's rent shall be payable on or before the 20th of the same month, or before the end of the quarter for which the instalment is due. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, suspend, or declare by record in writing that the license is forfeited; and proceed to re-sell or otherwise dispose of the shop or group of shops as soon after the last day of the month or quarter as may be possible with effect from the date of issue of license to the new purchaser or from the date of other disposal. The officer who has power to suspend license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

*Note.*—The licensee of a Jatra shop shall pay the rent thereof, in full before the Jatra begins.

(2) The deposit made by the licensee shall be taken as security for the due performance of the conditions of the license and if not forfeited, credited or otherwise disposed of, shall be credited in payment of the instalments due in the last two months of the period of the lease. Provided, however, that where the shop or group of shops is re-sold or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale or other disposal of the shop or group of shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(3) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) The privilege conferred by the license extends only to the sale of arrack ordinary of the strength of 20° under-proof and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° U. P. In places where there are no shops for the vend of foreign liquors or where the foreign liquor shop-keepers do not undertake to sell double-distilled or rectified country spirits and special liquors such as Brandy, Whisky Gin, etc., of such strength as may be fixed by the Excise Commissioner, manufactured at the Government Central Distillery, Bangalore, the holder of arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises, at such prices as may be fixed by the Excise Commissioner.

(5) The lease shall not be transferable by sale, gift or otherwise or be sub-rented except with the permission of the Excise Commissioner, nor if the Deputy Commissioner so orders may any agent be appointed for the management of any privilege without his previous approval. All engagements entered into by the Agent shall be deposited with the Deputy Commissioner within one month from the date of execution.

(6) The resignation of shop or group of shops will be summarily rejected by the Deputy Commissioner.

(7) The manufacturers of arrack or double-distilled or rectified country spirits or other special liquors as well as the licensees of arrack Bonded Depots are prohibited from holding any interest in the retail vend of the abovementioned spirits or from employing any person who has such interest.

(8) The sale or transport of arrack by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop are prohibited.

(9) The license-holder shall purchase from the Bonded Depots established molasses arrack at 8½ annas per gallon of 20° under-proof; jaggory arrack in duly corked sealed bottles at Rs. 1-6-6, and also special liquors referred to above, at such prices as may be fixed by the manufacturers.

(10) The licensee shall sell molasses arrack to the public at Rs. 6-6-0 per gallon of 20° under-proof (i. e., at annas two per dram which is equal to 1—51st part of a gallon) and jaggory arrack at Rs. 1-3-10 per reputed quart bottle and at proportionate rates for lower strengths.

(11) The licensee of every shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulations at the rate of Rs. (180) one hundred and eighty per annum in advance for the period of the license for his shop, and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

(12) The above rates to be charged for molasses arrack, jaggory arrack, double distilled or rectified country spirits or other special liquors by the manufacturers and the above fees are in addition to excise duty, which shall be prepaid at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° U. P. and proportionately for higher or lower strengths, before the removal of the liquor from a Bonded Depot established under the sanction of Government.

(13) The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk, Cutcherry to receive such duty and price daily including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt and an indent for the supply of the liquor covered by the receipt, the Bonded Depot-keeper shall issue the quantity of liquor equal to the amount of duty and price shown in the said receipt which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depot-keeper aforesaid.

as to the date and hour when the liquor was issued. The Depot-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depot. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(14) The licensee shall be bound to take over any liquor which may remain as stock in hand belonging to the out-going licensee on 1st July 1905, in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

(15) The licensee shall possess or use on any licensed premises only such standard measure as may, from time to time, be prescribed by the Excise Commissioner. The officers authorized to inspect licensed shops are empowered to enter and examine the premises, to test the measures in use and the liquor under sale and to call for and check the accounts kept in the shops.

(16) The licensee shall be bound by the provisions of the Excise Laws and rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws, and if so required, deliver up his license for amendment or issue of a fresh one.

(17) The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed, or permit transfer of shops from one place to another, provided the distance is not more than 200 yards, or direct new shops to be opened with the previous sanction of the Excise Commissioner.

(22) All sums payable by the licensee may be deducted from the amount of his deposit or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue.

All officers authorized to inspect shops and depots are empowered to detain any liquor found unfit for consumption or use and the Excise Commissioner, all Deputy Commissioners, Deputy Excise Commissioner and Excise Assistant Commissioners are authorized to destroy such.

The licensee shall be bound to furnish such returns and information as may from time to time be required by the Deputy Commissioner or Excise Officer not below the rank of Excise Assistant Inspector.

(32) The amount of fees payable for the shops under Condition II above, shall, in the Towns of Bangalore and Mysore, be paid to the Officers appointed by the President, Municipal Commission, to receive the same.

The Government reserves the power to terminate the lease on public grounds on giving the licensee 15 days' notice and awarding a reasonable compensation to the licensee. The licensee will have no claim to compensation or remission on account of any arrangements which may be made by Government in regard to Country Beer or other description of liquor than arrack.

(35) The sales should be conducted in a suitable building which shall have only one door, and no windows shall be allowed to the rear or ends of the building. The bar where the liquor is sold shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be allowed to or be kept open for customers.

(36) The right is reserved to the Deputy Commissioner to grant occasional licenses for the sale of liquor on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shopkeepers who usually supply the locality. Their period shall not exceed 15 days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(37) If it comes to the licensee's knowledge that any person employed by him in the carriage or sale of arrack, commits any breach of the Excise Laws or of the engagements entered into by him, it shall be his duty to report the matter to the Deputy Commissioner,

When a shop is cancelled, the rent for the whole period of the shop shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were arrears of land revenue.

(40) The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding para, shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other law for the time being in force.

### SALE OF TODDY SHOPS FOR 1905-06.

Notification No. 6212-5, dated 13th March 1905.

1. It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling toddy in each shop or group of shops specified in the appended Schedule\*, for one year, beginning with 1st July 1905 and ending with 30th June 1906, will be put up to public auction at upset prices by the respective Deputy Commissioners or by Revenue Assistant Commissioners or Divisional Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates mentioned in the said Schedule, and at the respective Taluk or Sub-Taluk Kasbas, and, except as hereinafter provided, will be knocked down to the bidder offering the highest amount of rent above those prices. If the sales are not completed on abovenamed days, they will be continued on the next following days (close holidays excepted). Should there be no bids for any shops singly the officer conducting the sale shall be at liberty to revise, when necessary, in consultation with the Excise Divisional Officer, if present, the grouping of shops as specified in the Schedule hereto appended, or, if necessary, to reserve shops for which there may be no bids, for disposal hereafter, or to sell the said privilege in any particular case, by means of tenders or by private negotiation. The privilege in any Coffee Estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum. The shops in alienated villages shall be separately sold, and the amounts connected therewith, shall be shown in the accounts under a distinct head. The sale in every case shall be subject to the conditions hereinafter set forth, and shall, unless revised by the Government, take effect on formal confirmation by the Deputy Commissioner who shall be at liberty to accept or reject any bid at his discretion without assigning reason for the same. Such formal confirmation will be necessary whether the sale be held by the Deputy Commissioner himself or by any other officer appointed by him. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at his discretion. The officer conducting the sale may, at his discretion and without assigning any reason, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court of such an offence, or has been guilty of such an infringement of the terms of his license or of a contract under the Excise Regulation or Opium Act as to render him undesirable as a holder of a license, or on the ground that he is insolvent, or in order to prevent arrangements to the detriment of Government interests, or for any other valid reason.

2. (a) Parties intending to bid must attend either in person or by duly authorized agents; and no person shall be permitted to bid either on his own behalf or on account of any one else until he has made a deposit of Rs. 25 for shops in the Kolar Gold Fields and the Cities of Bangalore and Mysore and Rs. 10 for shops in other places, or such other reasonable amount as may be fixed by the officer conducting the sale. Provided that the Government may at any time dispense with such initial deposit. Such deposit will, if offered, be received within three days previous to the date of sale. Deposits made by unsuccessful bidders, if not forfeited as hereinafter provided, will be returned at the close of the sale.

(b) No shops or group of shops shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

\* For Schedule see Supplement to the Mysore Gazette, dated 23rd March 1905.

3. (a) The successful bidder shall, on the exclusive privilege being knocked down to him, at once, if so required by the selling officer, or otherwise at the close of the day's sale, further deposit a sum equal to one-twenty-fourth part of his bid for the year, that is to say, one-half of the monthly rent unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit, if any, made by him under clause 2 (a) will be forfeited and the privilege will be sold again on the above conditions, or otherwise disposed of at his risk, as the Deputy Commissioner or selling officer may determine.

(b) The person to whom a shop or group of shops has been knocked down and who has made deposits as provided above, shall be required to leave his address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and he shall, within seven days after the service of the said notice by its presentation to himself or to any adult male member of his family at the place of said address or by its being affixed thereto or by its forwardal duly registered by post, pay at the Taluk Treasury concerned, such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent, and execute at the same time before the Amildar the necessary engagements and take out the necessary licenses, as hereinafter set forth.

4. (a) The deposit made under the preceding para shall be either in cash or in Government of India Securities duly endorsed in favor of the Deputy Commissioner. Provided that in cases where the monthly rent exceeds Rs. 10 (in lieu of a deposit of two months' rent as above), the Deputy Commissioner may, in his discretion, allow any purchaser to deposit one month's rent as above, and to furnish approved personal security for an amount equal to four months' rent. In all cases where the monthly rent does not exceed Rs. 10, a cash deposit equal to two months' rent shall invariably be taken, and no personal security shall be accepted. If, on enquiry subsequent to sale, the purchaser shall be found to be a foreigner, having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties, residents of and possessing property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract.

(b) Should the initial deposit exceed the sum required to be deposited under clause 3 (b) or clause 4 (a), the excess will be refunded to the purchaser.

5. The purchaser of the exclusive privilege shall execute an agreement binding himself and, unless exempted by the Deputy Commissioner by an order duly recorded, so much of his movable and immovable property as may be deemed sufficient, to observe the conditions hereinafter set forth, as well as those specified in the license to be issued to him; and his surety, if any has been accepted under the above para, shall also execute a bond in the prescribed form binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner, for the due fulfilment by the purchaser of the terms of his agreement. The agreement and bond so executed shall be stamped at the expense of the purchaser. They shall also be registered at his expense when the amount secured is Rs. 100 and above.

6. If default is made in making the deposit or deposits or in executing the agreement or the security bond, if any, and in taking out licenses as aforesaid, the exclusive privilege shall be forthwith re-sold or otherwise disposed of by the Deputy Commissioner at the risk of the first purchaser, who shall forfeit to the Government any deposit or deposits already made by him, and shall further be liable to make good any loss caused by such re-sale or other disposal. He shall not be entitled to any gain accruing from the re-sale or other disposal, and he shall be debarred from bidding again for the same or for any other shop or group of shops. In the case of loss the forfeited deposits will be deducted from it and the remainder, if any, shall be recovered as if it were an arrear of land revenue. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. As soon as the agreements and bonds have been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions; but nothing herein contained shall exempt the purchaser of the privilege from liability to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him:—

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Coconut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date Toddy shop shall not tap Bagani trees, and the licensee of the Bagani Toddy shop shall not tap Date trees but both licensees can tap any of the other palm trees named above.

(2) The Deputy Commissioner shall be at liberty to issue license for the sale of foreign liquors, for the manufacture and sale of country beer, and for the manufacture and sale of arrack and other country spirits.

(3) The amount of rent shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1905. No amount shall be paid to or received by the Excise Officers. In the malnad and semi-malnad Taluks, the Deputy Commissioner may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a

time. But if the amount of annual rent for any shop does not exceed Rs. 12, the whole of it shall be paid in not more than three quarterly instalments. Each instalment shall be regarded as the rent for the month or quarter in respect of which it is payable. The licensee is not required to make any separate payment on account of local cess. Each month's or quarter's rent shall be payable on or before the 20th of the same month or before the end of the quarter. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, by record in writing, suspend or cancel the license, order the forfeiture of all deposits made by the defaulter, and proceed to re-sell or otherwise dispose of the shop or group of shops at the defaulter's risk (as soon after the last day of the month or quarter as may be possible), with effect from date of issue of license to the new purchaser, or from the date of other disposal. Provided, however, that instead of re-selling the same as above, the Deputy Commissioner may, in his discretion, direct the Amildar to issue licenses to sub-vendors or vendors under the defaulting licensee for rents, the aggregate of which is not less than the rent the defaulting licensee had agreed to pay. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

NOTE.—The licensee of a Jatra shop shall pay the rent thereof in full before the Jatra begins.

(4) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same. No toddy except the produce of trees marked by a proper officer and tapped under a license shall be kept in the shop or offered for sale or sold.

(5) For all toddy-yielding trees, tree-tapping licenses shall be annual. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

(6) (a) Persons applying for the issue of tree-tapping licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed therein to be tapped and also for tree-rent in the case of trees on Government unoccupied lands and also for local cess thereon.

(b) On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

(7) No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

(8) (1) No tree shall be tapped for toddy without a license therefor to be obtained by payment of tree-tax at the following rates:—

Description of trees.	Rates of tree-tax including local cess per tree per annum.		
	Rs.	a.	p.
Date	1	1	0
Cocanut	2	2	0
Palmyra	1	9	6
Bagani or sago	1	9	6
Dadasal (Arenga wightii)	0	8	6

NOTE.—The licenses will be free of tax to the Mysore Government in the cases specified in clause 15 (1) (b) below.

(2) In addition to the above tax, tree-rent at annas 4 per tree per annum with local cess at 3 pies thereon shall be paid for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore territories or in the Civil and Military Station of Bangalore.

NOTE.—No trees upon Government occupied land can be tapped without the consent of the owner. The present arrangement as regards trees on alienated land will hold good subject, of course, to the levy by Government of tree-tax.

9. The tree-tax shall be payable in the following instalments, unless the Excise Commissioner shall otherwise direct:—

Period within which license is applied for	Proportion of tree-tax to be paid at the time of application for license	Proportion of tree-tax to be paid on the first of the 3rd month,
Between 1st July 1905 and 30th April 1906	One-third	The remaining two-thirds
Between 1st May 1906 and 30th June 1906	The whole	

(10) (a) The tree-rent together with the local cess on tree-rent and also the local cess on the tree-tax for trees applied for shall be payable in full at the time of application for tapping license.

(b) If any instalments are not paid within the time, the license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(c) When the licensee makes default and his shop is re-sold, his rights to and claim on Government trees cease and determine.

(d) In case of default, the Amildar with the Deputy Commissioner's permission will order the suspension of the tapping license till the arrears are paid up and if, after receiving notice of such suspension, the defaulter continue to tap the trees, he will be prosecuted for illicit tapping.

(11) The deposit made by the licensee will be taken as security for the due performance of the conditions of the license and if not forfeited or credited or otherwise disposed of shall be taken in payment of the instalment due in the last months or month of the period of the license. All arrears and deficits payable by the licensee shall, with interest at 6 per cent per annum, be recoverable from him or his surety under the rules in force for the recovery of land revenue. Interest shall be calculated on all arrears from the date of default and on deficits from the date of re-sale or disposal otherwise. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee, nor will he be entitled to any compensation for any trees withdrawn or taken for the public purpose.

(12) If the Deputy Commissioner does not confirm the re-sale, he may make such other arrangements as may appear advisable for the remainder of the period of the lease in which case he shall serve a notice on the defaulting licensee informing him of the nature of the arrangements made.

(13) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized in this behalf.

(14) The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the Taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules, and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

(15) (1) Tree-tapping licenses in the prescribed form shall be issued on the application—

(a) of licensed toddy shop-keepers or of their duly authorized agents,

(b) of tree-owners in coffee estates, hittals and kans in the malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 20th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of the applicant himself or of his nominees.

(16) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him.

(17) Applications for tree-tapping licenses, for trees in occupied or alienated lands should be countersigned by the owner of the trees intended to be marked, in token of his consent.

Applications for tree-tapping licenses for trees in State Forests and plantations should be countersigned by the Forest Range Officer in token of his consent.

(18) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(19) Every person to whom a tapping license is granted for the manufacture of toddy shall observe the following rules in tapping date trees:—

(a) Date trees shall be tapped only by professional men.

(b) Trees tapped one year shall not ordinarily be tapped the next year.

(c) Trees shall not be over-tapped or over-worked.

(d) In no date trees shall the initial incision be made at any point less than 3 feet from the ground except in places where permission is specially given by the Excise Commissioner.

(e) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(f) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(g) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(h) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(i) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him which may die from over-tapping or careless tapping either during the lease or within six months after its expiration.

(20) The licensee shall not interfere with the licenses for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes, when they make use of the trees assigned for such purposes, and not reserved for tapping.

(21) The licensee of the depot or shop or group of shops will be required to keep true account of the receipts and issues of toddy from day to day in ink in the prescribed form. The accounts and permits shall be in printed books which may be obtained from the local Excise Officer on payment of cost price. Permits for toddy received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved and delivered to the local Excise Officer immediately after the close of the lease. They shall be produced when asked for by the Deputy Commissioner or any Officer appointed by him or by an Excise Officer not below the rank of an Excise Assistant Inspector. Such returns and information as may be required by the Deputy Commissioner or Excise Officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

(22) The sales must be conducted in a suitable building which shall have only one door and no windows or other opening shall be allowed to the rear or at the ends of the building. The bar at which toddy is sold shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for the sale of toddy, or be kept open for customers.

(23) Toddy shall not be sold except in shops duly licensed by the Deputy Commissioner, in the prescribed form and no new shops shall be opened without the previous sanction of the Excise Commissioner. Free-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale, within the limits of the village purchased by him.

(24) The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed or permit transfers of shops from one place to another within two hundred yards of the sanctioned site. A sufficient supply of toddy shall be maintained in all sanctioned shops, the quantity being such as may be fixed by the Excise Divisional Officer.

(25) The licensee shall place the license granted to him in a conspicuous place in the shops.

(26) The right is reserved to the Deputy Commissioner to grant occasional licenses for the sale of toddy on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to shopkeepers, who usually supply the locality. Their period shall not exceed 15 days and the fee to

be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(27) A signboard shall be affixed in a conspicuous part of the front of each shop containing, in the local vernacular, the name of the shop-keeper, number of his license and the rate at which toddy is sold by him. The sale or transport of toddy by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop are prohibited.

(28) The licensee shall prevent all drunkenness or disorder or gaming within his shops.

(29) No shop shall be opened before sunrise or kept open after 9 p. m., except under special authority. The shop shall be kept open during the authorized hours, unless its temporary or permanent closure is authorized by the Deputy Commissioner.

(30) The licensee shall not harbour robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters. No person shall be harboured in any shop during the night, but, on the contrary, the licensee shall give intimation to the nearest Magistrate or Police Officer as to any such persons who may resort to his shops.

(31) The licensee shall not receive any grain, jewels, goods, wearing apparel, or other article in barter or in pawn for toddy, but on the offer of any such, shall give information to the nearest Magistrate or Police Officer.

(32) The licensee, vendor, or vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop. ## SALE OF DRUG SHOPS FOR 1905-06.

Notice No. 5382-3, dated 2nd February 1905.

1. Notice is hereby given that the exclusive privilege of selling intoxicating drugs in each of the shops specified in the schedule\* hereto appended, for the twelve months beginning with 1st July 1905 and ending with 30th June 1906, will be put up to public auction by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the respective taluk or sub-taluk head-quarters on the dates specified in the said schedule, subject to the conditions hereinafter set forth.

2. Each bidder at the auction will deposit a sum of Rs. 5, or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding, provided that the Government may at any time dispense with such initial deposit. Each shop will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents. No shop shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as purchaser any one in whose name the bidding has not proceeded.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to 1/12ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. The persons to whom the shops have been knocked down, and who have made deposits as provided in paras 2 and 3, shall also be required to leave his address with the sale conducting officer in order that the confirmation of the sale may be communicated to that address by a notice, etc., and he shall, within seven days, after the service of the said notice by its presentation to the purchaser or any adult male member in the place of said address or by its being affixed thereto or by its forwardal duly registered by post, pay at the Taluk Treasury concerned such further sum as, with the first and second deposits, will make up an amount equal to two months' rent of each shop knocked down to them, and shall take out licenses and execute a counterpart engagement, in the prescribed forms, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart engagement, as aforesaid, the shop will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Re-sales effected under para 4 will be at the risk of the defaulting bidder, who will forfeit all gain; and in the event of a loss by re-sale or other disposal he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale or other disposal. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

6. The license to be taken out under para 4 above, shall be subject to the following conditions, namely:—

- (1) The amount for which the privilege has been purchased shall be payable into the Taluk Treasury on the prescribed challan in equal monthly instalments commencing from July 1905; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month on the challan prescribed for the purpose. If such amount be less than Rs. 12, it shall be paid up in not more than three quarterly instalments commencing from 1st July 1905. The deposit of two months' rent made by the licensee, will be taken in payment of the rents due for the last two months of the period of the license. Failing payment by the 20th of the same month or before the end of the quarter for which the instalment is due, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.
- (2) The licensee shall purchase Ganja and Majum from any Bonded Depot at the rates of Re. 0-13-4 and 0-5-4, respectively, per seer of 80 tolas; and shall pay the price to the Mutsaddi in charge of the Depot.

  - (5) The licensee shall use such scales and weights as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of drugs, which forms shall be purchased from Local Excise Officers.
  - (6) The licensee shall be bound to take over any drugs which may remain as stock in hand belonging to the out-going licensee on the 1st July 1905 in the existing shop, paying to the latter such compensation for the same as may be fixed by the Deputy Commissioner.
  - (7) The licensee shall be bound by the rules in force, and by such further rules as may be issued from time to time by Government. He shall not, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect in any intoxicating drug shop outside the Mysore State or in the Civil and Military Station.
  - (8) No female shall be employed in the sale of intoxicating drugs.
  - (9) The remaining terms and conditions shall be as set forth in the prescribed license.
7. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to re-sell or to otherwise dispose of the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1905, shall be made good by him. When a license is cancelled, the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.
8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise laws or rules in force.

1. Read and confirmed the proceedings of the meeting of the Board held on 30th July 1904.
2. Read budget estimates of receipts and expenditure for the year 1905-06 as submitted by the Finance Committee for consideration and approval.

*Resolution.*—The budget estimates of receipts and expenditure submitted by the Finance Committee will be adopted and submitted to Government for sanction with the following modifications:—

That Rs. 5,000 provided in the Public Works Department budget received from the Executive Engineer for the opening of a road from Chitaldrug to Naikanhatti, be withdrawn and distributed as follows:—

Rs. 2,000 to B. I. Original.

„ 1,000 to B. II. Repairs.

„ 2,000 plus a sum Rs. 2,000 (=4,000) from the available closing balance to A. I. original for improving the existing District Fund roads.

The Board are of opinion that the proposed road from Chitaldrug to Naikanhatti is not one of urgent necessity and that any funds available would be better employed in improving existing roads and in improving the sources of drinking water supply in the more arid tracts.

3. Read list of works to be carried out during the current year in the several taluks of this district.

*Resolved* that the same be approved.

4. Read—(1) Executive Engineer's docket No. 5, dated 5th January last, forwarding, for the opinion of the Board, copy of Superintending Engineer's docket No. 6932, dated 21st December 1904, proposing that all roads within 5 miles radius of district head-quarters should be maintained in perfectly trafficable order.

(2) Executive Engineer's No. 30, dated 12th January last, forwarding, for an expression of opinion, copy of docket No. 15, dated 9th idem, from the Superintending Engineer, Eastern Circle, regarding the increase of allotments for portions of District Fund roads that are within 5 miles radius of district head-quarters.

*Resolution.*—The Board are of opinion that the present mileage allotments are sufficient to maintain the roads in question in a fairly satisfactory condition and that no increase in the expenditure is at present called for.

5. Read Senior Surgeon's docket No. 3261, dated 16th December 1904, forwarding for necessary action extract from the District Medical and Sanitary Officer's inspection report of the Hiriyrur dispensary with his remarks thereon.

*Resolution.*—The suggestion to provide a wire fencing around the said dispensary is noted and the work will be carried out when funds permit.

6. Read Executive Engineer's No. 1202, dated 27th December last, applying for the increase of Rs. 20 per mile in the mileage allotment of the Davangere-Anaji-Jagalur road as the provision of Rs. 1,550 is insufficient for the proper maintenance of the road owing to the increase of cotton traffic on the road from the Bellary District.

*Resolution.*—The Executive Engineer's suggestion is approved and will be submitted to Government for sanction.

7. Read Senior Surgeon's docket No. 4179, dated 31st January last, stating that "Korapulle" hedge around the compound of the Molakalmuru Dispensary would become useless, as it would harbour snakes etc. and would not therefore serve the required purpose.

*Resolution.*—The Board are of opinion that the korapulle hedge may be given a trial as there is no near prospect of funds being available for providing any more costly kind of fence.

8. Read and recorded :—

(a) Government Proceedings No. (5413-30)-51-11—L. B., dated 23rd December last directing that the tax on vacant building sites and hittals in all the existing Village Unions be credited to District Funds concerned.

(d) Government Proceedings No. 4021-30—L. F. 44-03, dated 16th November 1904, directing that the special fund formed of the savings in the contingent allotments made in the Municipal and District Fund budgets for Local Fund dispensaries be abolished, the Local Boards being required to contribute towards the cost of country medicines supplied to those dispensaries by the Medical Department.

9. Read—(a) Davangere Assistant Commissioner's yadi No. 689, dated 31st December last, re-submitting for consideration the records with modified proposals, regarding the occupation of the musafirkhana at Holalkere by the Amildar.

(b) Executive Engineer's docket No. 1099, dated 1st December last, requesting to be informed why the D. P. W. Sub-Division Officer at Holalkere should not be allowed to occupy a portion of the musafirkhana there, while the Amildar of Holalkere has been granted permission to use the building for his quarter.

*Resolution.*—The Board have acquiesced in the occupation of a portion of the musafirkhana for residential purposes by the Amildar as a special case, and regret their inability to permit the continued occupation of the remaining portion of the building by the D. P. W. Sub-Division Officer, as there would then be no room left for travellers. The Board accordingly approve of the estimate for Rs. 240 submitted by the Assistant Commissioner in charge of the Davangere Range for the improvement of the latter portion of the musafirkhana. The Board further resolve that the concession shown to the present Amildar under special circumstances shall not form a precedent as they are of opinion that the entire building should eventually be made available for the use of *bona fide* travellers.

10. Read Government Proceedings No. (4001-S)-4-4—L. B., dated 16th November 1904, calling for the opinion of the District Board regarding the grant of imprests for the use of Taluk Boards and Union Panchayats.

11. Read Government Proceedings No. 6641-2—Agr. 71-04-2, dated 28th January 1905, conveying sanction to the holding of a cattle show at Hiriur during the ensuing Tyaramalleswara jatra which comes off on the 21st instant.

Recorded.

12. Read the following proposals by Mr. Gopaliah, District Board Member for the Holalkere Taluk:—

- (a) That arrangements be made to provide lights in musafirghanas and bungalows for the convenience of travellers halting therein during nights.
- (b) That some impetus should be given annually by means of a grant-in-aid to villagers for opening out cart-tracks in rural parts.
- (c) That a musafirkhana be built near the Holalkere Railway Station for the accommodation of all classes of people alighting at the Station during nights, as the passenger traffic has considerably increased in this Station.
- (d) That some arrangements be made for light near the Police ukkads situated on the high roads.

*Resolution.*—The Board are of opinion that suggestions (a), (b) and (d), are good and they will be commended to the Taluk Boards for consideration and submission of definite proposals.

As regards the suggestion (c) the Assistant Commissioner in charge of Davangere Range will be asked to submit a moderate estimate for improving the existing bandy stand near the Railway Station so as to supplement the accommodation at present available for the better classes in the combined musafirkhana and chattram.

13. Read General and Revenue Secretary's No. 2957-64—Ed., dated 5th October last, directing that the contribution towards the cost of schools paid by Municipalities which have been since converted into Unions, should cease from 1st July 1904, and calling for the opinion of the Board as to why the same should not be paid by the said defunct Municipalities, as the house tax in them is credited to the District Funds.

*Resolution.*—The Board learn upon inquiry that the defunct Municipalities in the district were not paying any contribution towards the cost of schools, the liability to make such contribution being confined to the other Minor Municipalities at taluk head-quarters.

#### RECEIPTS.

*I. Octroi.*—(a) Fresh Cocoanuts. The increased estimate under this head is based upon the actuals of the 1st half of the current year and on the probable increase of revenue.

*Betel Leaves.*—(c) The increased provision of Rs. 388 made under this head is also due to the same reason as in the case of (b).

*III. Timber.*—The excess provision of Rs. 145, under this head is due to the increasing import of timber into the City.

*V. Piece goods.*—As the trade in this commodity has been steadily rising, an additional provision of Rs. 700 is made over the sanctioned estimate of last year.

*VI. (c) Horse Gram.*—An extra provision of Rs. 87, is made under this head as there is likelihood of getting more revenue than in the previous year.

*III. License Receipts.*—(a) Liquor shops:—Owing to the increasing consumption of arrack in the City year by year, an extra provision of Rs. 2,000 has been made.

*IV. Tolls.*—The right of collecting tolls was sold last year for Rs. 22,352-8-0. The estimate for the ensuing year is however kept at Rs. 20,000, not knowing the extent to which the bid will go during the auction sale. The other items call for no remarks.

#### EXPENDITURE.

*I. Interest on Debt and Repayment of Loan.*—No provision is made under this head as the debt due to Government has been fully paid up.

*IV. Conservancy (a) Establishment.*—The extra provision made is on account of the two Assistant Sanitary Inspectors recently sanctioned by Government in Proceedings No. 7624-6-MI. (430-04)-2, dated the 28th February 1905. But instead of giving effect to the scale of Rs. 30 plus 15 as originally recommended it is proposed to have one on Rs. 20 plus 15 and another on Rs. 25 plus 15, which may be approved.

*VI. Registration of Births and Deaths (a) Health Department.*—The provision made under this head has been reduced by Rs. 120 as the sum of Rs. 20 per month sanctioned for contingencies is found to be much in excess of the actual requirements.

For the same reason the provision made under the same head allotted for '(b) Registration' is reduced from 5 to 2 rupees.

(c) *Burial Ground Establishment.*—There are at present actually 11 watchmen on Rs. 8 and 11 on Rs. 7 per mensem to watch the burial grounds against a provision of 13 on Rs. 8 and 13 on Rs. 7, as sanctioned in the Budget of 1904-05.

The extra number of watchmen, viz., 2 on Rs. 8 and 2 on Rs. 7, as well as the allotment of Rs. 156, under contingencies, has been omitted in the budget for the ensuing year as it is found quite unnecessary.

*VIII. Public Works.*—An additional sum of Rs. 2,000 over and above the sanctioned estimate for the current year has been provided for expenditure in connection with the opening of congested parts in the City.

The other items call for no remarks.
